## Sensory Imagery

*Sensory imagery* draws readers into narrative writing through the five senses.

For each place, use each of the five senses to describe the setting.

- I hear \_\_\_\_\_
- I taste \_\_\_\_\_

Choose one of the above settings from which you have a personal memory. Cluster this memory in your journal. Write a one-paragraph narrative about your experience, inviting the reader to share in your memory through the use of sensory imagery. You should appeal to all five senses. Illustrate what you see, hear, taste, touch, and smell. Share your paragraphs.
