Sensory Imagery *(cont.)*

The First Time

Imagine that you are describing the following things to someone who has all five senses but has never smelled, heard, seen, touched, or tasted them. Use figurative language and sensory imagery to convey meaning. Choose one from each category to develop into a paragraph.

How would you describe the smell of the following things?

- apple pie
- ocean breeze
- freshly cut grass
- clean hair
- barbecue grill
- garbage
- popcorn

How would you describe the following sounds?

- baby's laugh
- fog horn
- package being unwrapped
- bacon cooking
- dog crying
- foreign accent
- radio static

How would you describe these images and objects?

- broken mirror
- city skyline

- orchard
- billboard
- ocean waves
- fast-food restaurant
- limousine

How would you describe touching these things?

- cooked pasta
- caterpillar
- computer keyboard
- a hairbrush
- window screen
- stuffed animal
- glass jar

How would you describe the taste of these things?

- French fries
- salad dressing
- stamps or envelope glue
- medicine
- salt water
- soap
